Concept of the exhibition:	Once upon a time ... eggs tell stories

As a prelude to the next major special exhibition in the Liechtenstein NationalMuseum which is dedicated to fairy tales, fables and legends, amongst others, this year's Easter egg presentation shows 25 artistically designed eggs from the Liechtenstein NationalMuseum collection, with which 16 fairy tales by the Brothers Grimm, fables by Aesop, Phaedrus, Martin Luther, Gotthold Ephraim Lessing and Jean de La Fontaine as well as legends from Liechtenstein can be told.

If you want to listen to the fairy tales in their entirety, you can listen to the stories recorded especially for the Easter egg presentation on your smartphone (QR code). The fairy tales were told in German and English by the curator Sabina Braun.
